ABOUT WORLD SKILL CENTER

World Skill Center, an advanced skill training institute of the Government of Odisha, has been envisioned as a premier institution with industry-oriented training courses. The WSC will also serve as the nodal agency for ITIs and Polytechnics in the state for academic & placement related activities, under the Hub & Spoke model.

Why choose WSC?

- State-of-the-art facility for advanced skill training
- Exposure to world class industries
- Well- equipped laboratories with most advanced machinery
- Focus on specialized & future ready trades
- Center for skill competitions
- Globally recognized curriculum adopted from ITE-Institute of Technical Education Singapore
- Student Exchange Program (SEP) & Student Internship Program (SIP) at Singapore for selected students each year
